Adult Mental Health Programs

Offers a range of services for the unique needs of Kent County residents 18 years or older. Services are delivered in-person, in the community, or through tele-health.

Teen & Youth Programs

The programs offered at Thrive provide support given the unique challenges teens and young adults face during this developmental stage.

Youth & Family Services

At Thrive, youth are not treated individually, but within the realm of the family environment. Recognizing and promptly addressing psychological and emotional challenges with the appropriate interventions is proven to have quicker and more success in recovery for youth. Services include education, youth & family programs, & Psychiatry evaluations, medications, etc.

Substance Use Programs

Clients go through an initial assessment as well as a psychiatric evaluation. Thrive follows the American Society of Addiction Medicine (ASAM) Criteria to create a holistic, person-centered recovery plan for clients with substance use and co-occurring conditions. Services include:

- Intensive Outpatient Program (IOP), 8–12-week program.

- Adult Outpatient Substance Use Services-one on one along with group therapy.

Court Ordered Programs

Thrive works directly with the state and federal court system to provide services in Rhode Island that are court ordered. Services include Court Diversion, Mental Health Treatment Court, Federal Probation, Court Ordered Services.
